Allstate®

Don't be left paying on a car that no longer exists.

The Allstate® Guaranteed Asset Protection (GAP) program covers what you owe on your vehicle loan or lease if you experience a total loss before it's paid off.

GAP waives the difference between your primary insurance settlement and the outstanding balance owed on your vehicle on the date of loss.¹

Benefits:

- Provides protection for new and used vehicles valued or financed up to \$100,000
- Reimburses you for your insurance deductible up to \$1,000
- Waives covered losses up to \$50,000

You might have to make a payment on a car you no longer have.

If you have a total loss while you're still paying on your car or lease, your auto insurance may not cover it all. Adding GAP will help prevent you from paying out of pocket, even on a covered loss.

How GAP works:

Lease/Loan pay-off	\$26,000
Primary insurance settlement amount	- \$20,000
Difference owed	\$6,000
Total GAP amount waived	- \$6,000
Your out-of-pocket expense	\$ 0

These examples are for illustrative purpose only. Actual GAP waiver calculations will vary based on the specific circumstances.
